In response to the question below, we are pleased to reply as follows:

- a) How long have you been working with them?

We have been associated with Cuchi Shipping for the past 12 months. They were highly recommended to me by Weatherford Asia Pacific Pte Limited (based in Vung Tau) and Smith Bits (based also in Vung Tau) that both use Cuchi Shipping as their import/export agents.

- b) Are you generally satisfied with their service performance? Do they meet your expectations in terms of delivery timeliness, reliability and cost competitiveness?

Performance = Excellent.
Meet Expectation = Yes 100% in all categories.

- c) Do you have any concerns about their reputation and the way they do business? Do they maintain a transparent practice that would not be susceptible to corruption while dealing with various authorities to get a job done?

Their reputation is excellent and the way they do business is very professional.

Transparent practice seems to be unquestionable to date.

- d) If you have other reasons why you choose their services, please do share with me.

They are the best in the business.

e) Last but not least, whether you would recommend their services to others in the industry.

I would recommend them and I have just recently recommended their services to another oil operator Mitra Energy.

Yours truly,

Terry O'Leary
